## About the Book

Frag Vol Tomoya Haruno is a novel by Japanese author Tomoya Haruno. It was first published in Japan in 2018 and was translated into English in 2020. The novel tells the story of a young woman named Yuri who is struggling to come to terms with the death of her husband.

Yuri and her husband, Shuichi, were deeply in love. They had been married for only a few years when Shuichi was killed in a car accident. Yuri is devastated by his death and she struggles to find meaning in her life without him.

In the aftermath of Shuichi's death, Yuri begins to experience strange dreams. In her dreams, she sees Shuichi alive and well. At first, Yuri is comforted by these dreams, but as they become more frequent, she begins to question her own sanity.

Yuri's friends and family are worried about her. They urge her to seek professional help, but she refuses. Yuri is determined to find her own way to cope with her grief.

As Yuri continues to struggle with her grief, she begins to learn more about herself and about the fragility of life. She comes to realize that life is precious and that it should be cherished.
