The True Story of Salvatore Giuliano

Salvatore Giuliano was born in Montelepre, Sicily, in 1922. He was the son of a poor farmer, and he grew up in a time of great social and economic upheaval. Sicily was under the control of the Fascist government, and the people were suffering under the weight of poverty and oppression.

Giuliano became a bandit in 1943, after he was falsely accused of stealing a sheep. He quickly gained a reputation for his bravery and his Robin Hood-like exploits. He robbed the rich and gave to the poor, and he became a symbol of hope for the Sicilian people.

Giuliano's reign of terror lasted for seven years. He was eventually killed by the Italian police in 1950. He was only 28 years old.
