Magical Girl Raising Project Vol. 1 is a light novel that follows the story of Koyuki Himekawa, a young girl who is chosen to become a magical girl. However, she soon discovers that the world of magical girls is not as glamorous as it seems. In fact, it is a world of betrayal, friendship, and the true meaning of magic.

The novel begins with Koyuki being chosen to become a magical girl by the mysterious Fav. She is given a magical wand and a companion, a talking cat named Tama. Koyuki is excited to become a magical girl and use her powers to help people. However, she soon learns that the world of magical girls is not as simple as she thought.

Koyuki and the other magical girls are forced to compete against each other in a deadly game. The goal of the game is to collect enough "magical candy" to become the "Ultimate Magical Girl." The winner of the game will be granted one wish. However, the game is not as fair as it seems. The magical girls are constantly betrayed by their friends and allies. They must learn to trust each other and work together if they want to survive.

Through the course of the novel, Koyuki learns the true meaning of magic. She learns that magic is not just about using spells and fighting monsters. It is also about helping others and making the world a better place. Koyuki must use her magic to protect her friends and defeat the evil that is threatening the world.
