

# Mia Mayhem Is Superhero

Meet Mia Mayhem, the unlikeliest superhero you'll ever meet. She's not a trained fighter or a master of martial arts. She's just an ordinary girl with an extraordinary secret: she has the power to control chaos.

Mia's powers first manifested when she was just a child. She would accidentally cause things to break or fall apart around her. At first, she was scared of her powers, but she soon realized that she could use them for good.
