Here's a sneak peek inside:

"Mia Mayhem was the youngest member of the Super Family, but she was also the most powerful. She could create chaos with the best of them.

One day, the Super Family was invited to compete in a field day against other super families. Mia was thrilled! She loved competing, and she knew that she could help her family win.

The field day was held in a large park. There were all sorts of games and activities, including a three-legged race, a sack race, and an egg toss. Mia was ready to win them all!

The first event was the three-legged race. Mia and her father were paired together. They started out strong, but then Mia tripped and fell. Her father tried to help her up, but he tripped and fell too. They ended up finishing the race in last place.

Mia was disappointed, but she didn't give up. She knew that she could still help her family win.

The next event was the sack race. Mia was determined to win this one. She hopped and skipped as fast as she could. She was in the lead, but then she saw a group of squirrels. She couldn't resist chasing them. She forgot all about the race and ended up finishing in last place again.

Mia was starting to get discouraged. She didn't know if she could help her family win after all.

The last event was the egg toss. Mia and her mother were paired together. Mia was very careful this time. She didn't want to drop the egg.

She and her mother tossed the egg back and forth. They were doing great! They were in the lead, and they were about to win.

But then, Mia got distracted by a butterfly. She reached out to catch it, and she accidentally dropped the egg. It splattered all over the ground.

Mia and her mother lost the egg toss. They finished in last place again.

Mia was so disappointed. She had tried her best, but she couldn't help her family win.

But then, Mia's father said something that made her feel better.

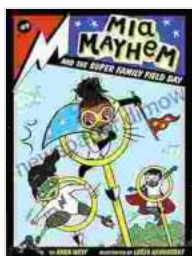

"It's okay, Mia," he said. "We didn't win, but we had fun. And that's what matters."

Mia smiled. She realized that her father was right. Winning wasn't everything. It was more important to have fun and spend time with her family.

Mia Mayhem and the Super Family Field Day is a hilarious and heartwarming story about the importance of family and friendship. It's a perfect book for kids of all ages who love to laugh."
