The story begins with a group of friends who are planning a sea kayaking trip to a remote island. They are all experienced kayakers, but they have never been to this island before. When they arrive, they are immediately struck by the beauty of the place. The water is crystal clear, the beaches are white sand, and the air is filled with the sound of birdsong.

The friends decide to camp on the island for the night. They set up their tents and cook dinner over a campfire. As they are sitting around the fire, they hear a strange noise coming from the ocean. They look up and see a large, dark shape moving through the water. The shape is getting closer and closer, and the friends are starting to get scared.

The shape finally emerges from the water, and the friends are horrified to see that it is a giant squid. The squid is at least 50 feet long, and its tentacles are as thick as tree trunks. The friends are trapped on the island with no way to escape. The squid is circling them, and it is only a matter of time before it attacks.

The friends must use all of their skills and knowledge to survive. They must find a way to defeat the squid, or they will all die. *Sea Kayaker: More Deep Trouble* is a thrilling adventure novel that will keep you on the edge of your seat. Follow the story of a group of sea kayakers who find themselves in over their heads when they encounter a mysterious creature in the depths of the ocean.

### **Praise for *Sea Kayaker: More Deep Trouble***

"*Sea Kayaker: More Deep Trouble* is a thrilling adventure novel that will keep you on the edge of your seat. The characters are well-developed, the plot is suspenseful, and the writing is superb." - James Rollins, New York Times bestselling author
