

Sean Alemayehu Tewodros: The 9mind of an Abyssinian American Author, Military Veteran, and Purposeful Empath

Sean Alemayehu Tewodros is an Abyssinian American author, military veteran, and purposeful empath. He is the founder of 9mind, a personal growth and self-help platform that provides resources and support for individuals looking to improve their mental health, mindfulness, and spirituality.

Tewodros's journey to becoming a personal growth expert began in his childhood. He grew up in a traditional Ethiopian household, where he was taught the importance of hard work, discipline, and respect. However, he also experienced firsthand the challenges that many immigrants face in America, such as racism, discrimination, and poverty.

In 2019, Tewodros founded 9mind. 9mind is a personal growth and self-help platform that provides resources and support for individuals looking to improve their mental health, mindfulness, and spirituality.
