- **Oval Face Shape:** Oval faces are the most versatile face shape, and they can wear almost any haircut. However, some of the best haircuts for oval faces include the side part, the quiff, and the pompadour.
- **Round Face Shape:** Round faces are characterized by a wide forehead and a round chin. The best haircuts for round faces will help to elongate the face and make it appear slimmer. Some of the best haircuts for round faces include the short sides, long top, the undercut, and the slick back.
- **Square Face Shape:** Square faces are characterized by a strong jawline and a wide forehead. The best haircuts for square faces will help to soften the jawline and make the face appear narrower. Some of the best haircuts for square faces include the Ivy League, the crew cut, and the side part.
- **Diamond Face Shape:** Diamond faces are characterized by a narrow forehead and a wide cheekbones. The best haircuts for diamond faces will help to widen the forehead and make the cheekbones appear less prominent. Some of the best haircuts for diamond faces include the side part, the quiff, and the pompadour.
- **Heart Face Shape:** Heart faces are characterized by a wide forehead and a narrow chin. The best haircuts for heart faces will help to balance out the forehead and make the chin appear wider. Some of the best haircuts for heart faces include the side part, the quiff, and the pompadour.

The Best Haircuts For Men By Hair Type

In addition to your face shape, you also need to consider your hair type when choosing a haircut. If you have thick hair, you'll need a haircut that

can handle the weight of your hair. If you have thin hair, you'll need a haircut that will give your hair volume and lift. Some of the best haircuts for men by hair type include:

- **Thick Hair:** The best haircuts for thick hair include the crew cut, the buzz cut, and the short sides, long top. These haircuts will help to remove some of the weight from your hair and make it more manageable.
- **Thin Hair:** The best haircuts for thin hair include the side part, the quiff, and the pompadour. These haircuts will help to give your hair volume and lift, making it appear thicker and fuller.
- **Curly Hair:** The best haircuts for curly hair include the short sides, long top, the Afro, and the dreadlocks. These haircuts will help to define your curls and make them look their best.
- **Wavy Hair:** The best haircuts for wavy hair include the side part, the quiff, and the pompadour. These haircuts will help to control your waves and make them look their best.

The Best Haircuts For Men By Personality

In addition to your face shape and hair type, you should also consider your personality when choosing a haircut. If you're a confident and outgoing person, you might want to try a bold haircut like the pompadour or the quiff. If you're a more laid-back and reserved person, you might want to try a more understated haircut like the side part or the crew cut. Some of the best haircuts for men by personality include:

- **Confident and Outgoing:** The best haircuts for confident and outgoing men include the pompadour, the quiff, and the undercut.

These haircuts will help you to stand out from the crowd and make a statement.

- **Laid-Back and Reserved:** The best haircuts for laid-back and reserved men include the side part, the crew cut, and the short sides, long top. These haircuts are easy to maintain and they will give you a clean and polished look.
- **Creative and Artistic:** The best haircuts for creative and artistic men include the dreadlocks, the Afro, and the long hair. These haircuts will allow you to express your individuality and creativity.
- **Professional and Business-Like:** The best haircuts for professional and business-like men include the side part, the crew cut, and the short sides, long top. These haircuts will give you a polished and professional look that is perfect for the workplace.
