This comprehensive book, authored by renowned equestrian expert Bill Steinkraus, is the culmination of decades of experience and meticulous research. Steinkraus, an Olympic gold medalist and one of the most successful equestrian trainers in history, shares his proven techniques for developing horses that excel in both the hunter and jumper disciplines.

## **A Step-by-Step Approach to Training Excellence**

The American Way Of Training Hunters Jumpers is not just a collection of theories; it's a practical guide that provides a structured and systematic approach to training your horses. Steinkraus breaks down the training process into manageable steps, guiding you through each phase with clarity and precision.

### **Focus on Building a Solid Foundation**

The book emphasizes the importance of establishing a strong foundation for your horses by teaching them basic obedience, ground manners, and jumping fundamentals. Steinkraus explains how to develop your horses' athleticism, improve their balance, and lay the groundwork for successful jumping performances.

### **Developing Jumping Skills with Precision**

When it comes to jumping, The American Way Of Training Hunters Jumpers takes a holistic approach. Steinkraus provides detailed instructions on how to build your horses' jumping confidence, teach them to be bold and accurate, and master different types of jumps.

### **Horse Health and Management for Optimal Performance**

Beyond training techniques, The American Way Of Training Hunters Jumpers covers essential aspects of horse health and management. Steinkraus discusses nutrition, veterinary care, hoof care, and stable management to ensure that your horses remain healthy, happy, and performing at their best.

### **Benefits of The American Way Of Training Hunters Jumpers**

By following the principles and techniques outlined in this book, you can reap countless benefits, including:

- Improved horse performance and athleticism
- Enhanced jumping abilities and confidence
- Stronger bond and communication with your horse
- Increased success in competitions
- A deeper understanding of horse training and management
