Cousy and Robertson were both exceptional players who revolutionized the game of basketball. Cousy was a gifted ball-handler and passer, while Robertson was a triple-double machine who could score, rebound, and pass with equal ease.

The rivalry between Cousy and Robertson was one of the most intense in NBA history. Both players were fiercely competitive, and they always seemed to bring out the best in each other.

The Celtics dynasty began to crumble in the late 1960s, as Cousy and other key players began to age. The Royals, meanwhile, continued to be a force in the NBA, led by Robertson and a young Jerry Lucas.

In 1970, the Royals finally defeated the Celtics in the NBA Finals, ending the Celtics' eight-year reign of dominance. Robertson was named the Finals MVP, and he was widely considered to be the best player in the NBA at the time.

The Basketball Lives of Bob Cousy and Oscar Robertson and the Fall of the Celtics Dynasty is a fascinating look at one of the greatest rivalries in NBA history. This book is a must-read for any fan of basketball history.
