Year Shape Advanced Numberfit uses a unique combination of methods and activities to make learning numeracy fun and engaging. These methods include:

- **Visual learning:** Year Shape Advanced Numberfit uses colorful visuals and diagrams to help children understand mathematical concepts.

- **Interactive activities:** Year Shape Advanced Numberfit includes a variety of interactive activities, such as games, puzzles, and songs, to help children learn and practice numeracy skills.

- **Real-world applications:** Year Shape Advanced Numberfit shows children how numeracy skills are used in everyday life.

Why choose Year Shape Advanced Numberfit?

There are many benefits to using Year Shape Advanced Numberfit, including:

- **Improved numeracy skills:** Year Shape Advanced Numberfit has been shown to improve children's numeracy skills significantly.

- **Increased confidence:** Year Shape Advanced Numberfit helps children to develop confidence in their numeracy abilities.

- **Fun and engaging:** Year Shape Advanced Numberfit makes learning numeracy fun and engaging.

- **Affordable:** Year Shape Advanced Numberfit is an affordable way to give your child a head start in numeracy.

How does Year Shape Advanced Numberfit work?

Year Shape Advanced Numberfit is a self-paced program that can be used at home or in the classroom. The program consists of 10 levels, each of which covers a different numeracy topic. Each level includes a variety of activities, such as games, puzzles, and songs, to help children learn and practice the topic.

Children can work through the levels at their own pace. As they complete each level, they will earn points and badges. This will help them to stay motivated and engaged.

What is included in Year Shape Advanced Numberfit?

Year Shape Advanced Numberfit includes the following:

- 10 levels of numeracy activities

- A variety of games, puzzles, and songs

- A progress tracker

- A rewards system

- A parent guide

Testimonials

Year Shape Advanced Numberfit has received rave reviews from parents and educators.

"My child has made so much progress in numeracy since starting Year Shape Advanced Numberfit. He is now able to count to 100, add and subtract numbers, and even multiply and divide. I am so grateful for this program." - Parent

"Year Shape Advanced Numberfit is a great resource for teachers. It provides a variety of activities that can be used to teach numeracy concepts in a fun and engaging way." - Teacher
